October 2, 2009

Dear Parents/Guardians,

The Elementary and Secondary Education Act of 1964 (Title I) provides additional assistance for students in order to meet mandated No Child Left Behind proficiency levels. The Woodland Hills School District is constantly in the process of reviewing and updating the components of its Title I Parent Involvement policy.

We are seeking additional parents from each elementary building to serve on a district level parent advisory committee. This committee meets four times during the year with the purpose of meaningful dialog that will support effective parent involvement and strengthen student academic achievement.

If you wish to become a member of this committee, please contact Mrs. Mary Odak, Administrative Assistant, at 412.731.1300 x0154 or e-mail Mrs. Odak at [odakmar@whsd.net](mailto:odakmar@whsd.net)

**The first meeting for this committee will be held Tuesday, October 27<sup>th</sup> at 12:00 Noon at the Dickson Elementary Library.** The agenda will include an overview of Title I program and a review of the Parent Policy needed for the reconfigured buildings. Lunch will be served.

We look forward to having new members on this committee.

Sincerely,

  
Norman M. Catalano
